CERTIFICATES

NATIONAAL WATERSPORTDIPLOMA

As of April 2025, the Dutch Watersport Association recognizes the NWD diploma system and is working toward a national standard for watersport education. The NWD system features age-specific tracks, four levels, modular certification, and boat-specific diplomas, including yacht sailing pathways. Existing CWO diplomas remain valid. NWD-certified schools meet strict quality and safety standards, covering staff training, social safety, and insurance. New sailors can choose between NWD schools or fully certified NWD locations for the best experience.

SGR

De Kikkert BV is affiliated with the Travel Money Guarantee Foundation. Within the limits of the SGR guarantee scheme, the trips published on this website are covered by the SGR guarantee. This SGR guarantee means that the consumer is assured that his prepaid travel money will be refunded if the other party is unable to fulfill the agreed performance due to financial inability.

WATERSPORTVERBOND

The water sports association represents about 400 water sports associations with the aim of enthusing young people for water sports. The water sports association therefore represents the sailing school industry and organizes numerous meetings and events where knowledge and experience can be shared.
